

ESSENTIALS

BATHROOM COLLECTION

Caroma Classic is our most popular and affordable range of bathroom products. Loved by Australians for its proven reputation of high-quality construction, durability and longevity, these designs have become classics in homes across the country.

The Classic collection brings everyday luxury experiences through classic styles and functional design for people seeking DIY and good value bathroom products. So, you can create the sanctuary of your dreams, without compromise.

“Caroma **Essentials** is a collection of contemporary essentials designed to suit your Australian lifestyle.”

- Luke Di Michiel,
Caroma Industrial Designer

ESSENTIALS

We've combined the best of our most popular ranges to create a collection of products to help you create your dream bathroom. Offering classic style and durability, our Essentials collection consists of Pin mixers, spouts and showers, Classic Cross three-piece tapware, spouts and baths and Cosmo bathroom accessories and basins.

The Essentials collection makes it easy to refresh your entire bathroom or retrofit selected products within your existing space. It's the perfect range for anyone seeking everyday style and reliability.

Basins

The Cosmo basin range offers modern designs for even the smallest of bathroom spaces. The area where the tap is placed can accommodate a range of tapware styles, such as a mixer or a three piece.

- Crafted from highly durable vitreous china that has great durability, sanitary and stain resistant properties
- Available in under/over counter, semi recessed, inset and vanity basin styles
- Includes flush fitting plug and waste
- 10 years warranty

INSET BASIN

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

VANITY BASIN

Vanity basins are installed directly within a vanity top with the basin supported by a small raised rim.

UNDER COUNTER BASIN

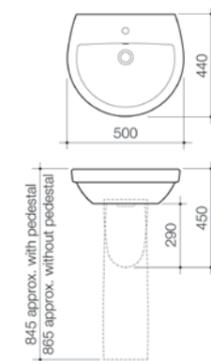

Under counter basins are installed directly below the vanity top with no visible basin rim.

SEMI RECESSED BASIN

Semi recessed basins partially overhang the vanity allowing you to maximise your basin size on applications with limited vanity space.

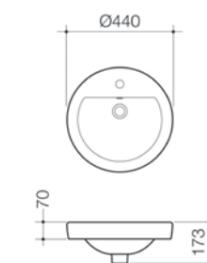

WALL BASIN

Wall Basins are installed directly to the wall with no need for an additional vanity.

Caroma wall basins are tested to withstand excess load up to 150kg **5x industry standard**

EN 14688 : 2015 Sanitary appliances - wash basins
- functional requirements and test methods.

Showers

The refined, slimline design of the Essentials Pin shower range looks great in any modern bathroom.

Add a striking accent of black or white showerhead or keep it classic with chrome – the choice is yours!

- Long lasting polished chrome finish
- Three spray functions with push button operation
- Includes silicone nozzles and premium smooth Silverflex shower hose for durability and easy cleaning
- WELS 3 star rated
- 10 year warranty

HAND SHOWER

Provides added functionality to a fixed wall option with the ability to remove the handpiece.

RAIL SHOWER

Convenient, adjustable height rail for ultimate control.

ADJUSTABLE WALL SHOWER

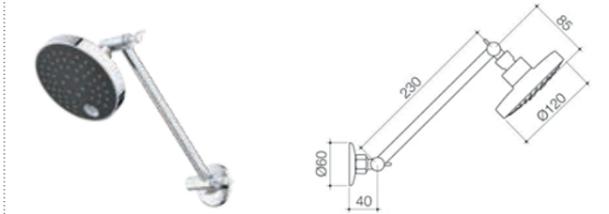

Our adjustable wall showers are neat and stylish, with the flexibility and practicality of height and angle adjustment.
