

fienza[®]

Moulded Basin-Top

VANITIES

Your Vanity
YOUR WAY

Like a tailor-made vanity, without the wait

With four warehouses throughout Australia, all stock is readily available. This means you can create a custom-look vanity without the long lead time.

FSC certified

Our universal vanity cabinets are sourced from manufacturers that hold Forest Stewardship Council® Certification (FSC). This ensures that the raw materials used in our products are only sourced from sustainable, managed plantation forests.

Eco-friendly E0 board

Fienza cabinets are manufactured with highly water-resistant, 2-pac medium density fibreboard (MDF). The majority of our cabinet range is made from E0 grade board, which has 50% lower formaldehyde emission than the minimum Australian Standard (E1 board). This significantly reduces the risk of potential adverse health effects from formaldehyde, ensuring a safe product that can be installed and used immediately in the home.

Your Vanity

YOUR WAY

Fienza's Universal Vanities range allows you to choose from an extensive range of basin-tops, cabinets, and accents to create the perfect vanity for your bathroom. Pieces are interchangeable, giving you the freedom to create your vanity, your way.

YOUR PERFECT BASIN-TOP VANITY IN 3 EASY STEPS:

| | |
|---|--|
| <p>1 Choose your basin-top 7 styles available</p> |  |
| <p>2 Choose your cabinet 20 styles available</p> |  |
| <p>3 Choose your accents Multiple styles available</p> | |

HIGH QUALITY DESIGN AND CONSTRUCTION
Backing boards and drawer bases are 16mm thick to ensure strength and quality throughout.

SOFT-CLOSE DOORS AND DRAWERS
All Fienza cabinets come with soft-close doors, and most cabinets feature soft-close drawers.

ALUMINIUM HANDLES & LEGS
Aluminium is a much less reactive material than stainless steel, keeping its bright chrome appearance and outlasting stainless steel products.

FULL EXTENSION DRAWER RUNNERS
Allows access to the full depth of storage space in your cabinet.

Fienza's Universal Vanities range allows you to mix 'n' match styles and pieces to create your vanity, your way.

Pieces are interchangeable allowing you to build your own custom vanity.

Fill Panels

When your vanity will be installed beside a wall, this panel fills the gap between the protruding basin-top and the cabinet to provide a clean and tidy finish.

For shorter cabinets, the panel can be trimmed to the size you need.

Vanessa

Poly-Marble

Vanessa basin-tops are made from poly-marble, historically Australia's favourite vanity-top material, which is less prone to distortion than ceramic.

- 20mm thick poly-marble
- Gloss warm white finish
- 1 tap hole as standard
- Requires 40mm waste, no overflow (not included)

FOR 3 TAP HOLES:
 ADD \$50 to price
 ADD -3 to end of code, e.g. VAN75H-3

EXCLUSIVE TO FIENZA®

Phoenix Stone

Exclusive to Fienza®, Phoenix Stone has an extremely smooth finish, unlike anything else on the market. With the smoothness of glass, and the strength and solidarity of stone, it is an excellent blend of materials for your vanity top.

- 19mm thick, engineered quartz stone and glass blend
- 1 tap hole as standard (cannot be drilled with 3 tap holes)
- Requires 32mm waste, without overflow (waste not included)

FOR NO TAP HOLES:
 ADD \$200 to price
 ADD -0 to end of code, e.g. W2-75H-0
 SPECIAL ORDER ONLY
 Allow 8-10 weeks for delivery

Fienza universal vanity cabinets come with soft-close drawers and doors as standard (*excludes selected UNICAB™ models).
