

NEW FLINDERS SHOWER BASE

marbletrend
simply australian.

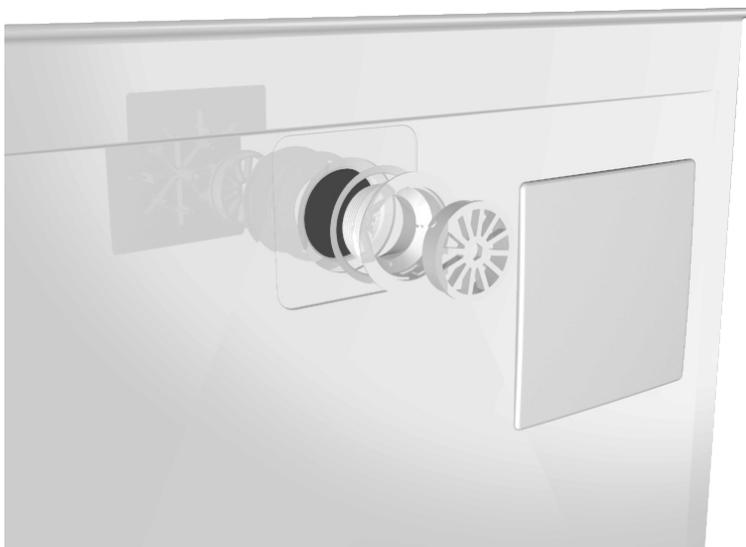

Eliminating the need for a mortar bed, the New Flinders shower base made from Marblelite, a long-lasting solid cast formula, is self-supporting and comes with a two or three tile flange configuration and square waste cover as standard. This is the most exciting innovation to shower base technology in more than 20 years.

The New Flinders shower base is manufactured in Australia and it is made of Marblelite, a lightweight, long-lasting solid cast formula that allows a reliably straight, modern and slimline shower base.

The patented "Top Fix" waste system allows for fast, simple, and affordable installation on all floor surfaces including Smart Pans giving a convenient, seamless and beautiful finish to suit any bathroom space and design.

The New Flinders is a modern slim designer shower base crafted with the inbuilt internal support disc and E-sphere network for durability and strength. Our durable sanitary grade gel coat is chemically resistant, withstanding acid, alkalis, alcohol, bleach, methyl blue and salt.

The flat base provides easy installation and a variety of finished metallic waste covers for you to tailor your bathroom down to the finest detail.
