

Product Range Introduction

Everyone at the Couta Group is working towards the same goal. To help plumbers get the job done easily and efficiently with top quality products and expert advice, at competitive prices.

We've been working with the construction and plumbing industries for many years now and are committed to continuous innovation and improvement to always give you the best.

We have a range of jointing options for the systems including our standard or double leak detection crimp fittings, or the sleeve compression system.

All brands are supported with a range of complimentary products such as valves, clips, supports, conduits, tooling and a host of other items. We continuously add to the range to make your life easier.

Our range of brands include:

GasPex Australia's number 1 brand of PEX/Al/PEX piping for low-pressure gas applications.

Heat Pex under floor heating systems available as Pex-b/EVOH or PEX/AL/PEX.

Water Pex colour coded water piping system in Pure Pex-b, Pex-a PN20 or PEX/Al/PEX configurations

Chill Pex cost effective PEX/AL/PEX alternate to common piping systems for Chiller lines.

High quality range of PVC DWV fittings to suit all needs

Extensive range of clips, brackets and supports to suit Pe-X and metallic piping systems

The table below shows the range of pex piping and fittings options:

Pipe	GasPex	WaterPex Single Layer Pex-b System		WaterPex PN20 Single Layer Pex-a System		WaterPex Multi Layer Pex-b System
